ARTIST BIOGRAPHY

limbic sis is a Berlin based DJ and producer known for her captivating blend of house and mesmerizing acid sounds.

With a knack for transporting listeners on a sonic journey, she weaves hypnotic beats, ethereal melodies and pulsating rhythms. Through her enigmatic presence and seamless fusion of genres, limbic sis invites audiences to surrender to the magnetic allure of her transformative soundscapes and tries to reach every neuron of your system.

As a founder of PLOT RECORDS she has built a reputation for transporting listeners into a fusion of different genres. Known for weaving mix of deep house and acid she dives into a whole chapter with her latest productions.

She has released several tracks alongside artists like Regularfantasy, INSTELLAR, BELLA, Yazzus, eoin dj, Nesa Azadikhah, Audrey Danza and many more and an upcoming release planned on the 10 years YOYAKU compilation as well as on the Berlin based label SEVEN.

As one of the founders of the FLINTA* collective LAYERS she is standing up for more equality in the music industry by hosting events and showcases all over Europe with only FLINTA* line ups or organizing free DJ workshops.

Limbic sis has taken over clubs like Panorama Bar, Tresor, Blitz, Watergate and RSO as well as international gigs at K41 (Kyiv), TES (Georgia), Le Sucre (Lyon) or festivals like Butik Festival (ZNZ), Sunny Side Festival (Malta), Lighthouse Festival (Croatia) or Modular (Cape Town).
