

WHAT DOES TRESYDOS MEAN?

TresyDos takes its name from the baseball term “tres y dos” – the full count, three balls and two strikes.

It's a moment of tension before everything happens:

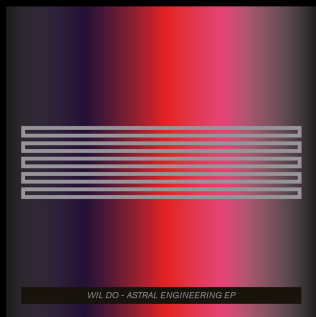

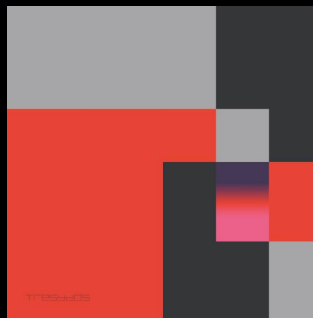

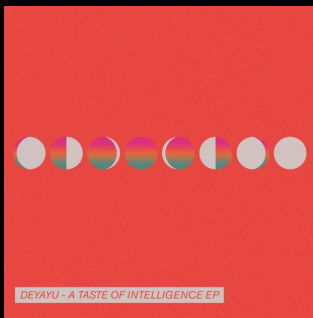

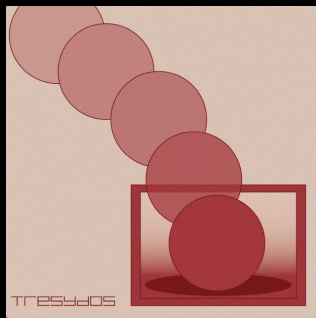

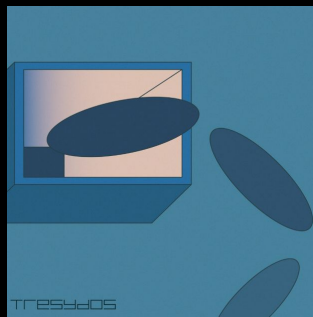

one pitch, one swing, one decision that changes the game.

That moment symbolizes what **TresyDos** stands for – music that is filled with emotion and determination. Every night holds a decisive moment – the instant when the music shifts, the atmosphere deepens, and the crowd follows. Our vision is to release music that captures that intensity.

OUR RECORD LABEL

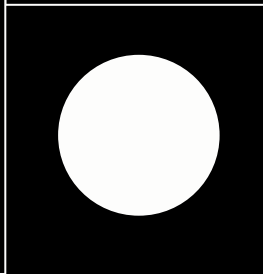

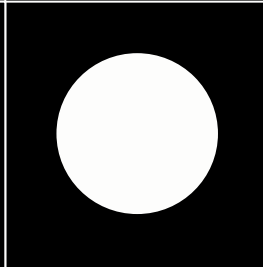

OUR EVENTS

Through our events, we aim to bring the label's sound and spirit into the physical world.

Our lineups are carefully selected with ***purpose***, ensuring that each party carries a distinct idea, telling a story that can be felt and understood by the audience.

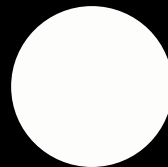

PAST EVENTS

Since the label was founded in 2018, we've organised events in different cities around europe such as:

***Madrid,
Barcelona,
Berlin,
London,
Lisbon,
and Valencia.***

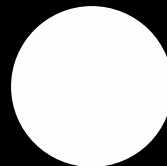

Our events typically feature tresydos artists **combined** with special guests that are aligned with our vision.
